Participants get a single free fair admission pass for the participant and one guest arriving together. A limited number of free parking passes in the entertainers parking area are allocated to our function. These passes will be allocated while they last as car pool passes, preferentially to those who have heavy equipment and instruments, or have limited mobility – requesting a pass does not guarantee you will get one. Arrive early, as the paved lot fills up and you may be parked in a dirt lot further away. **Tip** – It is possible drive singly to Del Mar, park outside the fair, and then car pool to the fair.

You may register later, but if you miss the advance deadline date you will not get an admission or parking pass. The fair management does not allow picking up a pass at the gate!
